BRAVE HOBSON

And His Men Will Probably

Meet Death. Washington, June 20 .- The refunal of the Spanish authorities to fentry : exchange Lieut. Hobson and his men excites the utmost indignation. This action on the part of the Spanish government to spoken from attack and that they are bepurpose of using them as a shield, on for being terrified. ably the first to go hungry. The secured.

cared for, and while the Spanish soldiers are on short rations it is not likely that those prisoners are getting much food. It is recognized as legitimate in warfars that sight and I was dreached through and through the Spanish and the carried for the breakfast as for signal lights from the flagship personally command the expedition. Eighters more transports and an arrowall and through the Spanish and the spanish through the Spanish and the spani the feeding of soldlers should first through and through and nearly culty in securing them Congress "N. E. A. Kentucky State Special" the feeding of soldlers should nest the feeding nest the feeding of soldlers should nest the feeding nest mate to retain prisoners when an exchange is possible, so that they shall suffer famine. It is known that food is very scarce in Santiago, and it is the duty of the Spanish go, and it is the duty of the Spanish government, since we hold arm, caused by respective with the spanish government, since we hold arm, caused by respective with the spanish government, since we hold arm, caused by respective with the spanish government, since we hold arm, caused by respective with the spanish government, since we hold was so strong ican registry for British vessels.

The have wrought by the Vesuvita at night has evidently caused the Spanish government, since we hold arm, caused by respective with the spanish government, since we hold arm, caused by respective with the spanish government. mate to relain prisoners when an Spanish prisoners who are exchangeable, to make the change at once. To compel our sailors and soldiers to shoot at and to starve shoot at and to starve their can brave courades is a bar-their can brave courages is nursing a sore guns by sight, as then the St. Lou-a. m. All lines from the west and south of Louisville and Lexington will make connection with the will make connection with the Kentucky State special.

Astets Dec. 31, 1897, Outstanding the make connection with the will take us to wipe out the entire was fired. barity that no civilized nation can get back home. He has every General Pando is marching from sanction and none would be guitty available spot covered with figures. Havana with re-enforcements for of. No people except such as were and I have already gained fifteen an insurgent force under Garcis, Phones U.S. Fourth Ave., Louisville, Ky., or G. W. Darrey, D. P. A., up the Maine and of murdering pounds in weight. This sea air is Castilla and Perez has set out to inhighly beneficial to one's health, tercept them. The insurgents have less old men could be guilty of especially those who have been ac- cut off heliographic communicaauch cruelty. Spain will probably customed to an indoor life. Con-tions of the Spaniards between Sansidering the fact that we have nothpay dearly for this action. If Admiral Sampson shells Morro Castle and makes an immediate assault upon Santiago, those prisoners are subjected to all the danger from our fire which is incurred by the gensmy. The nations of the world will condemn Spain for forcing will condemn Spain for forcing and well and makes an infinite assault upon Santiago, those prisoners are subjected to all the danger from our fire which is incurred by the gensmy. The nations of the world will condemn Spain for forcing and well and the subject of the same three times a day, weak coffee, without cream or sugar once a day, and very rotten water it is a wonder we are not all the hospital. But this menu and this menu are dead, we will give One Handred Dollars for the respondence of eafness that cannot be curenomy. The nations of the world water it is a wonner we are not maintain seems to be the proper thing for us judging from its good effect.

In the latter event, a foul murder must have been committed, as by As I stated in a previous letter, order of Sampson no shots have been continued as the same of the nations. What I stated in a previous letter, order of Sampson no shots have been continued by flags Catarib to re-send forcer like and the latter event, a foul murder must have been committed, as by Sold by Druggist, The Sold by Druggist Bruggist, The Sold by Druggist Bruggist can be done about it is difficult to Teddy Rooseven's famous "Rough been fired at Morro castle since determine. There is probably Riders" are here with us and, as I Morgan and his party were imprisnothing left but to go ahead with- write, Mr. Roosevelt is sitting oned there.
